Re: INVITATION TO SUBMIT INFORMATION FOR THEOCRATIC VIDEO PROJECTS

Dear Friends,

We are pleased to inform you that your body of elders has approved for you to receive this confidential invitation from us. Why are you being given this invitation?

The positive impact of audio and video programs in our lives as well as in our ministry has been felt worldwide on an unprecedented level. To meet the growing need for actors or extras to support future projects, publishers in congregations across the branch territory are being asked to provide information for our records. We are happy to invite you to participate.

WHO DOES THIS INVITATION INCLUDE?

This invitation is for you. Your elders will inform you if any immediate family members are approved to participate as well. These would only include family members who are Jehovah's Witnesses living in your household who attend the same congregation as you.

Prior acting experience is neither required nor expected. Genuine love for Jehovah and the brothers as well as humility are the most important qualities for participating in audio/video projects.

HOW DO I/WE PARTICIPATE?

To learn more about this unique initiative, please watch this video (with your family, if applicable) at the earliest convenient time:
